

**INVEST GLOBAL**  
MULTI-ASSET PRIME BROKERAGE

# DEVELOPMENT OPERATIONS (IT)

## About us

Invast Global is a specialist multi-asset prime broker based in Sydney and Tokyo. The company specialises in providing innovative prime services to hedge funds, asset managers, proprietary trading firms, other brokerages and banks.

As a world-leading boutique investment bank, we are constantly in search of hungry people to join the team and challenge the status quo. We want dreamers and doers who are ready to hit the ground running.

## Why join us

- Remuneration - Invast Global offers a highly competitive base salary along with Short Term Incentive Schemes - which includes quarterly cash bonuses.
- Flexibility - We want to hire the best talent in the industry. To attract the best, we have embraced a flexible work culture.
- Career development - We don't just want to hire the best talent, we want to train them to be even better. Career development is a priority to you – so it's a priority for us.
- Unique workplace - Our Sydney office is nearby public transport & secure parking. The building boasts panoramic views across Sydney Harbour from our Wintergarden break out area.

## About the role

Forming part of Invast's Global IT team, you will be responsible for the technical and administrative oversight of the Invast Global AWS-based IT Infrastructure. This includes areas such as Kubernetes/Docker, Linux and Windows server administration (both cloud and on-premises), network administration and other related IT services.

Level 27, Aurora Place, 88 Phillip Street, Sydney NSW 2000  
Office: +61 2 9083 1333, E-mail: [support@invast.com.au](mailto:support@invast.com.au)
